

Scott

I want to thank you and your club members for hosting a great Sectional Championship. You all did a great job and really showed all of the officials real Southern hospitality. I look forward to working with all of you again in the near future.

Scott:

Just wanted to let you know that I think you did a fabulous job with such an enormous event. I had no idea what was involved, but you were calm and focused and ran the "show" like you'd done it many times before.

See you at the rink,

Jeanette

Hi Scott -

Just wanted to say "Thank you" so much for all the hard work and hospitality you provided us with at Easterns - It was such a well-run event, and everyone I encountered was extremely nice. One of the kids said they didn't meet a rude person in the whole state! (Sometimes we can't truthfully say that in Boston!) Thanks also for answering all of our e mails, and for sharing your hotel information with me. If you think of any further information that would be helpful for us to have, I would love to hear from you. We are not blessed with such a beautiful new facility as you have, but we do have a lot of history and avid skating fans and volunteers, so we will have to "think outside the box" to put on as nice of an event as you put on for us. You left big shoes to fill.

Hi Scott--

I just had to write you a note to thank you for all of your hard work this past week. It really paid off with a great competition and a lot of people feeling really good. Your team worked their tails off making everyone feel welcome - no one can say that people in NC aren't the friendliest, most accomodating, and hard working people around.

Love,

Bob

Hi everyone;

I hope you have had a bit of time to decompress from Easterns. I just wanted to thank everyone for all their help and hard work which made this Easterns a successful event. I know the skaters appreciated your dedication throughout the week. It was a pleasure to work with all of you and hope to see you soon.

You get the gold medal, in all categories! You took on such a huge job, and handled it with such aplomb and grace. I commend you. And I was so glad to have been even a small part of it. It was wonderful to see how everything, everyone comes together to make that event happen. And it was everything skating is: drama, beauty, politics, emotion, intrigue, athleticism, triumph. Thanks for including me. Hope you are recovering well, and that we will talk soon. Happy Thanksgiving!

Dear Scott:

Congratulations on a fantastic job! You and the Club were wonderful. I don't know of any issues that occurred over the five days. Thank you so much for taking such good care of us.

Scott

Congratulations on the great job you and your committee did in hosting the Sectional Championship.

Everybody was extremely friendly and co-operative. The facility was great and the Coaches hospitality was the best I have ever experienced.

I know that most of the success was due to your leadership and workload.

Please convey my thanks to your committee's.

Once again thank you for providing such a great opportunity for the skaters to show their skills.

Yours truly,
Kerry Leitch
